SOLUZIONI FOODSERVICE

Elevate your culinary experience with our Microplane® 4-sided Box Grater. Featuring a selection of four U.S.-made, patented Microplane® blades made from high-quality surgical stainless steel, this utensil is an absolute must-have in any chef or culinary enthusiast's kitchen. The sturdy and high-quality design makes preparing your favorite dishes accessible and fun. Its specialties include an ultra-thick blade, perfect for a wide variety of ingredients; one fine blade and one medium double blade, perfect for finer or medium grating needs; and a cutting blade, ideal for a wide variety of vegetables. This model comes with a removable thin blade, which allows for impeccable hygiene since it facilitates access during cleaning. With its ergonomic and modern design,
