

## CALEIDO CHARCOAL COLORED TALL MESH BASKET

Charcoal-colored mesh basket - Fruit holder/centerpiece, diameter 30 cm.

# SOLUZIONI FOODSERVICE

The Pintinox – Caleido High Mesh Basket Charcoal D. 30 cm fruit bowl/centerpiece combines contemporary design and minimalist elegance, becoming the perfect furnishing accessory for the kitchen and table. Crafted from mesh metal with a refined charcoal finish, it stands out for its modern and lightweight lines, ideal for showcasing fruit, bread, or decorative arrangements with a simple and refined style. The perforated structure promotes proper aeration of food, while the large, harmonious shape also makes it perfect as a decorative centerpiece. Part of the Caleido collection by Pintinox, this basket is designed to easily adapt to both modern and more elegant and refined settings. Ideal for everyday use, it adds character to the table thanks to its sophisticated charcoal tone and striking design. Main features:

- Modern and essential design
- Metal mesh structure
- Elegant charcoal finish
- Ideal as a fruit holder or centerpiece
- Perfect for kitchen, dining room and buffet
- Promotes fruit ventilation
