The Pintinox fruit basket/centerpiece from the Caleido Filo Carbone line is a striking furnishing accessory, perfect for those who appreciate a modern and elegant style. Featuring a refined wire metal frame with a charcoal finish, this basket stands out for its sleek, contemporary design that adds lightness and personality to the table. The distinctive raised shape enhances fruit, bread, or decorative arrangements, transforming it into a truly decorative element for the kitchen, living room, or dining room. The open structure allows for proper aeration of the fruit, while the tall base creates an elegant and sophisticated visual effect. Ideal for both everyday use and for enhancing modern table settings and refined spaces. Designed by Pintinox, this basket combines functionality and design in a versatile and decorative accessory. Main features: - Modern and elegant design - Flush metal structure - Refined charcoal finish - Ideal as a fruit bowl or centerpiece - Raised structure with a strong aesthetic impact - Promotes food ventilation - Perfect for contemporary and refined environments  
Technical data: - Diameter: 30 cm - Color: Charcoal - Use: Fruit bowl / Centerpiece
