

**TEX MEX STEEL SERVING CASSEROLE WITH 1 HANDLE,
DIAMETER 8 CM**

Living Black & Gold Saucepan with Handle Ø 8 cm – Black Stainless Steel

SOLUZIONI FOODSERVICE

Elegance and functionality meet in the Living Black & Gold Saucepan, a small designer gem designed for modern restaurants and gourmet kitchens. Crafted from high-quality stainless steel with a satin black finish and gold handle, it combines contemporary style and professional performance in a compact and elegant package.

Ideal for serving sauces, reductions, single portions or mini tastings directly at the table, this casserole dish is also perfect for spectacular plating, adding a touch of luxury and originality to every presentation.

Main features

- Diameter: 8 cm
- Material: High quality stainless steel
- External finish: elegant and durable satin black
- Handle: golden, ergonomic and heat-resistant
- Use: perfect for light cooking, sauces, tastings and table service

Strengths

- Exclusive design: elegant contrast between matte black and shiny gold.
- Versatility of use: suitable for both professional cooking and presentation in the dining room.
- Strength and durability: stainless steel guarantees solidity and long life over time.
- Visual impact: ideal for refined table settings and high-level food styling.

Ideal for

- High-end restaurants, bistros, and catering.
- Chefs and enthusiasts who want a functional and scenic accessory.
- Elegant serving of sauces, reductions, or gourmet mini portions.
