SOLUZIONI FOODSERVICE

Power, sturdiness, and precision: the KitchenAid K55W Heavy Duty is the professional stand mixer designed for those seeking high performance and absolute reliability in the kitchen. Ideal for laboratories, pastry shops, pizzerias, and the most demanding enthusiasts, it guarantees impeccable results in every preparation.

VERSATILITY FOR EVERY DOUGH

Thanks to its planetary movement and its professional accessories, it is perfect for doughs of:

- pizza and bread
- biscuits, croissants, brioches
- sponge cake, shortcrust pastry, meringues
- creams, purees, sauces, mayonnaise
- whipped cream and much more

The lifting bowl with 3-point lock ensures total stability even with dense mixtures or large quantities of dough.

PROFESSIONAL SERVICES

Equipped with 11 speeds – from slow rotation for delicate incorporation, to rapid whipping – it allows maximum precision at every stage of preparation.

The Soft Start function prevents splashes and spills, while the automatic overheating shutdown system protects the motor and ensures a long life.

The metal gear transmission ensures constant and reliable power, even in the toughest doughs.

STURDY DESIGN AND ACCESSORIES INCLUDED

Built entirely of metal, with a stainless steel tank, it is resistant to intensive use.

The splash-proof pouring lid with snap-on tabs keeps your countertop clean.

Accessories included:

- Spatula
- Whip
- Dough hook
