# SOLUZIONI FOODSERVICE

Discover the Bent Tip Chef Tongs by Sanelli Ambrogio, an essential tool for every cooking enthusiast. Crafted from high-quality stainless steel, these tongs are designed for durability and long-lasting strength.

Main features:

- Length: 30 cm, ideal for a secure and comfortable grip.
- Rounded Bent Tip: makes it easier to handle delicate foods without damaging them.
- Teeth: offer a secure grip on the edge, making every kitchen operation simple and precise.

Perfect for turning, serving and plating, these tongs are a perfect addition to your kitchen equipment.
