SOLUZIONI FOODSERVICE

The Nemco 55300A-1 Easy Cheeser™ is the ideal solution for professional kitchens, delicatessens, restaurants, and foodservice businesses that require quick, precise, and consistent cutting of cheese and butter. Designed for efficiency and durability, it allows you to cut cubes, sticks, or blocks with ease.

Thanks to the sturdy steel structure and stainless steel cutting wires, this cheese cutter ensures high performance even with intensive use, reducing maintenance to a minimum.

Main features

- Cut cheese and butter into cubes, sticks and blocks
- 3/8" cutting arm included for even sticks
- Cutting area fits 1/3 of a 5 lb cheese wheel
- Stainless steel cutting wires: strong, durable and easily replaceable
- Entirely steel structure for maximum strength
- Professional design designed to speed up kitchen operations
- NSF certified, compliant with food safety standards

Advantages

- Precise and consistent cutting
- Waste reduction
- Minimal maintenance required
- Ideal for professional and continuous use
