

**6-piece pack. TOP CLASS SQUARE DRINK GLASS cl.41
PM233**

Pack of 6 Top Class Square 41cl drinking glasses, designed by Luigi Bormioli.

SOLUZIONI FOODSERVICE

The 41cl format offers a larger capacity while maintaining the collection's essential, contemporary design. The square base ensures stability and balance, while its lightweight design makes the glass practical and comfortable to serve.

Made of SON.hyx® glass, it guarantees high brilliance and durability, preserving the transparency and color of beverages even with intensive use. Designed for the HoReCa sector, it is a versatile and functional solution, ideal for long drinks, water, and soft drinks with ice.
