Natural, durable, and gentle on knives: the Oval Birch Cutting Board is a practical and versatile accessory, ideal for everyday preparation and table service.

Made from FSC®-certified birch wood, it guarantees a responsible and sustainable choice. The untreated surface preserves the authenticity of the material and offers high cut resistance, while being particularly gentle on knife blades.

The oval shape and compact size make it perfect not only for cutting bread, vegetables or cured meats, but also for presenting appetizers and finger foods with a simple and natural style.
