Sottopiano Marecos Series 150 Refrigerator – Mod. ARV 150 CS TA PO

# SOLUZIONI FOODSERVICE

The Marecos ARV 150 CS TA PO undercounter refrigerator is the ideal solution for professional environments requiring reliable performance, compact design, and maximum efficiency. Designed for built-in installation in counters or work areas, it integrates seamlessly, optimizing space without sacrificing internal capacity.

Made entirely of stainless steel (AISI 304 inside and AISI 441 outside), it guarantees high standards of hygiene, resistance and durability over time, making it perfect for professional kitchens, bars, restaurants and food laboratories.

The ventilated refrigeration system ensures even distribution of cold air, maintaining a constant temperature between +1°C and +8°C. Automatic defrosting and digital thermostat control make it simple and practical to use, minimizing maintenance.

The interior is designed for maximum functionality: LED lighting, removable plastic-coated steel shelves, and a spacious 122-liter gross compartment. The reversible, self-closing door, lock, and adjustable feet complete a product designed for everyday professional use.

## MAIN FEATURES:

- Internal and external structure in stainless steel
- Gross capacity: 122 litres
- Adjustable temperature: from +1°C to +8°C
- Ventilated refrigeration system
- Automatic defrosting
- Precise and intuitive digital control
- LED interior lighting
- 2 removable shelves included
- Reversible full door with self-closing
- Lock with key
- Adjustable feet
- Ecological refrigerant gas R600a

## TECHNICAL SPECIFICATIONS:

- External dimensions: 600 x 600 x 835 mm
- Internal dimensions: 480 x 410 x 690 mm
- Net volume: 105 litres
- Weight: 51 kg
- Power: 150 W
- Power supply: 230V / 50 Hz (single phase)
- Annual consumption: 869 kWh
- Climate class: 4
- Temperature class: M1
- Energy class: C
- Insulation: 50 mm polyurethane

## AVAILABLE ACCESSORIES:

# SOLUZIONI FOODSERVICE

- Additional shelves (small and large)
- Shelf supports
- Stainless steel stacking kit

Compact, high-performance and designed for professionals: the Marecos ARV 150 refrigerator is the ideal choice for those seeking efficiency and reliability in small spaces.
