Marecos 600 Series Vertical Refrigerator – Mod. AP 60 PO

# SOLUZIONI FOODSERVICE

The Marecos AP 60 PO upright refrigerator from the 600 Series is designed to ensure high-performance preservation in professional environments, offering generous capacity, reliability, and ease of use. Ideal for restaurants, professional kitchens, laboratories, and food service businesses, it represents a solid and efficient solution for managing fresh food.

Featuring a white painted steel exterior and a thermoformed interior, it combines durability and ease of cleaning. The 567-liter gross capacity and GN 2/1 configuration allow for optimal interior space organization, perfect for use with standard Gastronorm containers.

The ventilated refrigeration system ensures even temperature distribution, adjustable from +1°C to +8°C, while automatic defrosting ensures simple and seamless operation. Digital control allows for precise adjustments, supported by visual and audible temperature and door-open alarms for maximum safety.

The internal layout includes 4 removable GN 2/1 shelves in plastic-coated steel, while the reversible full door with self-closing and lock makes the product practical and safe for daily use.

## MAIN FEATURES:

- Large capacity: 567 gross litres
- Compatible with GN 2/1 standards
- External structure in white painted steel
- Ventilated refrigeration for uniform temperature
- Adjustable temperature: from +1°C to +8°C
- Automatic defrosting
- Intuitive digital control
- Visual and audible alarms (temperature and open door)
- Reversible full door with self-closing
- Lock with key
- 4 removable GN 2/1 shelves included
- Adjustable steel feet

## TECHNICAL SPECIFICATIONS:

- Dimensions: 750 x 750 x 1880 mm
- Gross capacity: 567 litres
- Net weight: 91 kg
- Power: 190 W
- Power supply: 230V / 50 Hz (single phase)
- Annual consumption: 757 kWh
- Climate class: 4 (up to +30°C ambient)
- Insulation: 60 mm
- Refrigerant gas: R600a

Spacious, reliable, and designed for intensive use: the Marecos 600 Series upright refrigerator is the ideal choice for those seeking professional performance and maximum space organization.
