SOLUZIONI FOODSERVICE

Add a touch of originality to your dishes with the "Gallant" decorative knife! Perfect for transforming simple, long vegetables like carrots, zucchini, or cucumbers into elegant decorations: flowers, creative shapes, and scenic details will make every dish unique. Thanks to the sharp stainless steel blades, it guarantees precise and effortless cutting, ideal for both home and professional use. Perfect for impressing your guests or enhancing buffets and presentations. The elegant design of the Gallant line makes it not only functional, but also beautiful to display in the kitchen. KEY FEATURES: - Ideal for creating vegetable decorations - Stainless steel blades for precise cuts - Easy to use and clean - Dishwasher safe - With a practical hanging loop - Made in Germany - 5-year warranty - BPA-free
