

STILO' GRAPHITE LIQUID SOAP DISPENSER, 1 litre capacity

Wall-mounted liquid soap and gel dispenser - Anthracite color - 1 litre capacity

SOLUZIONI FOODSERVICE

The Stiló liquid soap and gel dispenser stands out for its modern design with an elegant graphite finish, designed for professional and contemporary environments where aesthetics and functionality must coexist perfectly. Crafted with a recycled ABS cover and base with a graphite finish and polypropylene components, it offers high resistance to daily use, impact, and temperature changes. Its refined and minimalist look makes it ideal for offices, showrooms, hotels, restaurants, professional studios, and public spaces. Equipped with a push-button dispensing system, it ensures practical and hygienic use with a controlled dosage of 0.7 ml per press. The 1-liter refillable tank is compatible with both liquid soaps and hydroalcoholic sanitizing gels, ensuring practicality and autonomy. The practical front view allows you to easily check the product level, while the keyed safety lock protects the contents and makes the dispenser suitable even for high-traffic areas. Main features:

- Cover and base in recycled ABS
- Elegant graphite painted finish
- Compatible with liquid soaps and hydroalcoholic gels
- Tank capacity: 1 litre
- "Push" dispensing system
- Controlled dosage of 0.7 ml
- Resistant to shocks and temperature changes
- Product level control viewer
- Safety lock with key
- Screws and plugs included
