FORK TABLE EAT

EAT TABLE FORK PINTINOX 19.9 CM

SOLUZIONI FOODSERVICE

The table fork from the EAT collection by Pintinox stands out for its essential and functional design, specifically designed for the modern needs of the B2B, mass catering, and high-end hotel sectors. Crafted from 1.8 mm thick 18/10 stainless steel, this cutlery piece offers a perfect balance between lightness and structural strength. Measuring 199 mm in length, it guarantees maximum versatility for a variety of service settings, ensuring excellent resistance to mechanical shock and easy sanitization. The mirror-polished finish enhances the aesthetics of the table, maintaining its shine even after prolonged daily use and frequent washing in a commercial dishwasher. Why choose it: A reliable, durable choice with a contemporary design, ideal for caterers and food service professionals who don't want to compromise on aesthetics and practicality. TECHNICAL DATA: - Material: 18/10 stainless steel - Length: 199 mm - Thickness: 1.8 mm - Finish: Polished
