

EAT TABLE KNIFE

EAT PINTINOX TABLE KNIFE 21.8 CM

SOLUZIONI FOODSERVICE

The table knife from the EAT collection by Pintinox stands out for its essential and functional design, specifically designed for the modern needs of the B2B, mass catering, and high-end hotel sectors. Crafted from 1.8 mm thick stainless steel, this cutlery piece offers a perfect balance between lightness and structural strength. Measuring 218 mm in length, it guarantees maximum versatility for a variety of service settings, ensuring excellent resistance to mechanical shock, easy sanitization, and precise, efficient cutting. The mirror-polished finish enhances the aesthetics of your table, maintaining its shine even after prolonged daily use and frequent washing in a commercial dishwasher. Why choose it: A reliable, durable choice with a contemporary design, ideal for caterers and food service professionals who don't want to compromise on aesthetics and practicality. TECHNICAL DATA: - Material: 18/10 stainless steel - Length: 218 mm - Thickness: 1.8 mm - Finish: Polished
