SOLUZIONI FOODSERVICE

FEATURES: The cleaning tablets are highly concentrated and effective with a highly effective complex of active ingredients for maximum cleaning performance (new formula free of phosphates and phosphorus). The care-tab rinse aid contains cleaning substances that actively protect against limescale before it can even form in the steam generator and cooking chamber and extend the life of the cooking system. Reliable operational safety even without expensive water softening or descaling treatments. Savings combo consisting of: 2 packs of Red Detergent 130+130 pieces 1 pack of Blue Limescale Remover 150
