# SOLUZIONI FOODSERVICE

## LAMA

- High hardness (54-56 HRC)
- Wire shape especially designed for professional use
- Excellent ease of resharpening
- No chipping occurs

## HANDLE

- Exclusive ergonomic design of the handle, the result of particular studies carried out at qualified research institutes and validated by computerized experimental tests
- The non-slip handle with a soft but slightly rough surface allows for greater safety in use
- The material used is non-toxic and complies with European regulations
- Resistant to sudden changes in temperature ( $-40^{\circ}\text{C}$ + $150^{\circ}\text{C}$ ), corrosive agents and detergents
- Dishwasher safe and sterilizable, in order to guarantee absolute hygiene
- The green color of the handle allows you to immediately identify the position of the knife on the workbench for greater safety
