

VICTORINOX BLACK HANDLE TOMATO PEELER

SOLUZIONI FOODSERVICE

The Tomato Peeler with black handle from Victorinox is a real game changer in every enthusiast's kitchen. This tool, created for professional use, is in fact also ideal for a domestic kitchen thanks to its versatility and precision. Made with a high quality stainless steel blade, it allows you to cut all types of soft fruit and vegetables extremely cleanly and safely: from a very ripe tomato to a delicate kiwi, through peaches, mangoes, peppers and aubergines. The plastic handle offers an excellent grip during use, ensuring greater safety during the cutting phase. Stainless steel ensures long life and surprising ease of maintenance: you can in fact wash your tomato peeler directly in the dishwasher, thus ensuring perfect hygiene and efficiency of use. Like every Victorinox product, the
