# SOLUZIONI FOODSERVICE

In the dynamic world of cooking, the Squeeze Bottle Cap with 2 holes is an indispensable accessory. Meticulously constructed from high-quality food-grade polyethylene, this cap is designed to last and withstand the most demanding conditions. With its wide mouth, it makes refilling the dispenser a breeze, whether you're measuring out sweet or savory sauces or any other delicacy. Its sturdy design also makes it dishwasher safe, giving you a stress-free experience. Made in the USA, it fits perfectly on items 01400224649160140032464924. A true all-in-one solution for your kitchen needs.
