SOLUZIONI FOODSERVICE

The Semi-professional Salad Spinner with a diameter of 26 cm is the accessory that absolutely cannot be missing in the kitchen of a true enthusiast of healthy and natural food. Made with high quality materials such as PP, SAN and rubber, it ensures perfect resistance over time and great ease of use. Its operation is extremely simple thanks to the side crank, which allows a quick and effective drying operation. Thanks to its intuitive design, it is possible to dry large quantities of vegetables and fruit quickly and easily, maintaining the nutrients and fresh appearance of the food unaltered. An integrated brake to ensure total control during use further increases its reliability and safety. It is ideal for those who love quality in culinary preparations, maintaining the integrity and freshness of the ingredients. Its versat
