# SOLUZIONI FOODSERVICE

Incorporating creativity and professionalism into your cooking has never been easier thanks to this highly versatile set of 14 pieces of scalloped round pastry cutters. Each piece is designed to offer you the widest range of options, allowing you to create fascinating and interesting pasta shapes, which enrich each dish with a touch of personality and culinary artistry. Our pasta cutters are made of tin, a material chosen specifically for its durability and safety in contact with food, respecting all current regulations in the sector. You can rest assured that every piece that leaves your kitchen will be safe for you and your loved ones at the table. For anyone who fears mess and cleanup after creation, these kitchen utensils are perfect. Each individual pastry cutter is dishwasher safe, allowing you to enjoy preparation without
