SOLUZIONI FOODSERVICE

The 13.5 cm Triangle Fruit Decorator is the right choice for those who want to enrich their dishes with elegant details and collect compliments for their artistic ability at the table. This tool stands out for its versatility and was designed to carve not only fruit and vegetables, but can be used equally successfully on compact pumpkins and cheeses, allowing you to create V-shaped incisions and triangular-shaped carvings. Made of high quality stainless steel, it stands out for its resistance and longevity. With a total length of 13.5 cm and a cutting height of 2 cm, it allows for a precise and clean incision, which is essential for work of this kind. Handy and easy to clean, it can in fact be washed in the dishwasher without the quality of the material being affected. The expertise with which is real
