

PROFESSIONAL SILICONE SPOON cm.41 RED HANDLE

SOLUZIONI FOODSERVICE

Our 41cm Professional Silicone Spoon with Red Handle is a must-have item for any keen chef. Made of platinum liquid silicone for food use, it guarantees high thermal resistance (+230°/-60°) and great flexibility. The innovative design will make your kitchen more colorful and allow you to handle food with creativity and precision. Ideal for pastry chefs, chocolatiers or restaurateurs, it can be used in the oven or microwave and easily cleaned in the dishwasher. No more unwanted odors: the material is odorless and tasteless. Produced in Italy, it combines unparalleled quality and style.
