SOLUZIONI FOODSERVICE

Discover innovation in the kitchen with our Professional Silicone Flexible Lid. Perfect for lovers of precision, the high quality silicone makes this product resistant and unbreakable, being able to go directly from the oven or microwave to the fridge or freezer. With a thermal tolerance from -60° to $+230^{\circ}$ degrees, it puts creativity at the disposal of ice cream makers, pastry chefs, chocolatiers and restaurateurs. Furthermore, thanks to its flexibility, it will be a space-saving element in your kitchen. Produced in Italy, it underlines aesthetics with a varied and refined design, maintaining functionality with its ease of cleaning: it is dishwasher safe. It does not alter the flavor or smell of food, ensuring an authentic dining experience. Are you ready to try it?
