SOLUZIONI FOODSERVICE

The round corer is the accessory of your dreams if you are passionate about culinary decorations. By drawing on fruit and vegetables, such as pumpkin, carrot or melon, you can create small balls perfect for embellishing your dishes in a creative and original way. Made of stainless steel, the corer is ergonomic and easy to use, promising an effortless cooking experience. You can wash it in the dishwasher without problems, ensuring efficient cleaning. In addition, its quality is ensured by production made in Germany. Also perfect for creating ice cream balls, it will be your ally in every season!
