SOLUZIONI FOODSERVICE

The 1.5 cm Round Scavino is the professional accessory that transforms food into art. Made entirely of high quality stainless steel, the instrument is robust and long-lasting, but also practical and ergonomic, designed for continuous use. Perfect both for processing fruit, such as melon or watermelon, and vegetables such as pumpkin or carrot, it allows you to create small spheres for creative decorations or garnishes in just a few simple steps. You can also use it to create delicious ice cream scoops. And washing? No worries, it's dishwasher safe. Made in Germany, it guarantees maximum precision and effectiveness.
