The Steelexpress coffee maker, suitable for 4 cups, is the perfect ally for coffee lovers. Made entirely of stainless steel, it features a refined and elegant design in stainless steel colour. Its peculiarity? The base specifically designed to work best even on induction hobs. This little jewel from the Pezzetti line combines functionality and style, making it a must-have for every kitchen. Its resistance and durability, together with its ease of use, will win over any aspiring barista.
