

STAINLESS STEEL ARCH POTATO PEELER cm.5,5x10,5

Discover the precision of our 'Castor' potato peeler, with carbon blade, perfect for every kitchen.

SOLUZIONI FOODSERVICE

Our stainless steel bow peeler stands out for its ergonomic design and its smooth surface, ideal for convenient and quick use. It has dimensions of 5.5x10.5 cm, perfect for simple and safe handling. The Sanelli Ambrogio brand guarantees the use of the highest quality materials: the carbon blade, sharp and durable, simplifies cleaning potatoes and other vegetables. The "Castor" model is an indispensable companion for all your culinary adventures!
