# SOLUZIONI FOODSERVICE

The 11x5 cm oval ravioli cutter is an indispensable tool for lovers of homemade cuisine. Made of resistant satin food-grade aluminium, it guarantees perfect adhesion and precise shaping of the dough. The beech wood handle, in addition to giving it a classic and elegant design, offers a comfortable and safe grip. Perfect for shaping your ravioli, it will allow you to surprise your guests with dishes with an authentic flavor and impeccable shape. All the pleasure of Italian cuisine in a single tool.
