SOLUZIONI FOODSERVICE

Take your culinary art to a new level with our set of 20 decorator carving knives. Constructed from sturdy, hardened stainless steel, these high-quality tools will ensure precision and durability over time. The non-slip Santoprene handle promotes an excellent grip, giving you total control during use. The set, enclosed in a practical hanging case with two extra pockets, will allow you to maintain order and always have everything at hand. Restore organization and aesthetics in your kitchen!
