SOLUZIONI FOODSERVICE

This stainless steel truffle cutter by Ambrogio Sanelli has represented Italian quality and tradition since 1864. Careful workmanship and the use of high-quality stainless steel make this kitchen utensil sturdy and durable. Its wavy blade is designed to precisely cut truffles, mushrooms, vegetables, parmesan and chocolate, always guaranteeing slices of uniform thickness and limiting product waste to a minimum. The adjustment system allows you to vary the thickness of the cut from 0.2 to 3 mm to adapt to your culinary needs. Choose made in Italy for your kitchen.
