SOLUZIONI FOODSERVICE

Elevate your culinary skills to new heights with our smooth blade wooden truffle cutter!
This elegantly designed and practical tool features a sturdy one-piece wooden body and a razor-sharp blade, which can be re-sharpened. Its strong point is the cut thickness regulator, which will allow you to obtain slices from 0.2 to 2.5 mm, all of the same thickness, for an impeccable presentation of your dishes. Indispensable for lovers of good food!
