

SET 3 pcs. CARVING DECORATOR KNIVES

SOLUZIONI FOODSERVICE

Discover the art of carving and become a true chef with our set of 3 professional knives. Made of hardened stainless steel, they offer long-lasting sharpness, ensuring unique precision. Perfect for beginners, decorating knives are ideal for creating small works of art on fruit and vegetables, enriching your dishes with refined details. Safety has never been so refined: the non-slip Santoprene handles offer stability and prevent slipping even with wet hands. And so you don't waste a minute, they are easily washable in the dishwasher. Learn the basic carving techniques in complete safety and convenience!
