SOLUZIONI FOODSERVICE

Discover the Monopol Titan manual can opener, your ally in the kitchen for opening large jars. Equipped with a blade and toothed wheel in hardened and tinned steel, it guarantees a clean and precise cut. Its sturdiness and comfortable maneuverable handle make it easy to use: just turn left to reveal the blade, and right to make it penetrate the box. The reliability of the materials and the precision of the German design are at your service to simplify every operation in the kitchen.
