

**ALUMINUM SLICED EGGS CUTTER WITH STEEL WIRE cm.13,5x8x3**

# SOLUZIONI FOODSERVICE

Make perfect egg slices in a flash with this amazing tool. All threads are individually mounted and made of stainless steel, promising precision and efficiency every time you use it. Designed to be practical and easy to handle, it stands out for its ergonomic shape which facilitates use. Furthermore, thanks to the aluminum coating, it is light and resistant. For simple and effective cleaning, it can be washed in the dishwasher without problems. This kitchen accessory is ideal for those who love practicality without sacrificing precision.
