# SOLUZIONI FOODSERVICE

This A1 Curved Digger, not even 1 cm in diameter, is your ideal ally for transforming fruit and vegetables into wonderful artistic centrepieces. Extraordinarily useful for sculpting fine and precise details, such as flower petals or fish scales, it captures your creative spirit while enriching the table with expertly crafted vegetables and fruit. Its lightness and ergonomics make work fun and effortless. Made of sturdy stainless steel, which guarantees long life, it can be easily washed in the dishwasher. Produced with typical Made in Germany quality.
