SOLUZIONI FOODSERVICE

This robust and essential tool is indispensable for olive lovers. Made entirely of aluminum, this olive pitter is known for its practicality and ease of use. Its specially designed design allows you to precisely remove the stone from the olives, guaranteeing a clean and residue-free result. It is positioned as a best seller in Mediterranean countries, where olives are a fundamental ingredient of the daily diet. Easy to handle thanks to its long and curved extractor, it is a valid ally in the kitchen.
