SOLUZIONI FOODSERVICE

Express yourself like a real chef with the Scavino Curvo A2! This practical professional accessory will enrich your kitchen by allowing you to create detailed vegetable and fruit decorations. Making flower petals, fish scales or artistic decorations with courgette, carrot, potato or your favorite fruit has never been easier! The Hollow Core has a diameter of 0.8 cm, the smaller it is and the smaller the diameter of the core, the more detailed shapes you can create. Designed to be easy to handle and ergonomic thanks to its high quality stainless steel materials. It reinforces durability over time, allowing quick and easy cleaning even in the dishwasher. Made with care and precision in Germany. Essential for your kitchen!
