SOLUZIONI FOODSERVICE

Discover our aluminum squeezer, an essential kitchen accessory for every aspiring chef. This versatile tool is the perfect solution for working with garlic and onions, allowing you to mince them with ease. But its functionality doesn't end there! Thanks to its ergonomic design, it is the ideal accessory for removing stones from cherries and olives. Plus, it transforms into a powerful nutcracker. Made entirely of aluminum, it is sturdy and durable, resisting daily wear and tear. An icon of practicality and functionality in your kitchen.
