YANKEE Work Apron

- Non-backed, lightweight vinyl fabric
- Fair resistance to wear
- Non-stick inner side
- Resistant to many acids at low concentrations
- Use in catering for washing dishes
- Ideal for small jobs and daily use
- Adjustable strap around the neck, back fastening and stainless steel spring hook.

MAINTENANCE

Cleaning is done by washing with water at 30°C, using a neutral acid-free disinfectant, followed by rinsing with clean water. The apron should be hung without any spin drying. The apron must be kept dry and replaced as soon as it shows signs of wear.
