SOLUZIONI FOODSERVICE

For those who love cooking with professional tools, we offer the round lever potato masher, made of sturdy aluminium. Thanks to its 40 cm length, it will be very easy to mash potatoes, but also to create fruit juices and spaghetti-shaped ice cream. Its ergonomic design and the presence of a practical notched support make the tool versatile with containers of various sizes. Easy to disassemble, cleaning will be a breeze! A little advice: avoid the dishwasher. This chef's jewel, strictly Made in Germany, will look forward to assisting you in your best recipes!
