SOLUZIONI FOODSERVICE

- Produced in Italy
- Certified for food use
- Ideal for binding roasts and foods in general
- Suitable for cooking

Approximately 1.3 kg package, placed in a heat-sealed PVC container. This package guarantees complete hygiene of the product as well as ease of use not found in the usual packaging.

In fact, the possibility of resting or hanging the container by extracting the thread from the inside facilitates the unwinding of the reel and the dexterity of the operator.
