

**NON-STICK GRILL AND PIZZA PLATE GN 1/1 cm.53x32,5
RATIONAL**

SOLUZIONI FOODSERVICE

** RATIONAL PATENT *

USE:

Multilayer plate with Trilax non-stick coating for double use.

The top features rising waves for grilling steaks, vegetables and fish.

The back, being flat, allows optimal support and thermal transmission for frozen or fresh pizzas.

The TRILAX by Rational coating has surprising non-stick properties, promotes browning and resists heat and alkalinity.
