SOLUZIONI FOODSERVICE

Our spherical colander makes every preparation in the kitchen easier and faster. With a diameter of 36cm, created with food-grade polypropylene plastic, it is capable of withstanding temperatures ranging from -20° to +100°. There is no need to worry about cleaning processes, because it is perfectly dishwasher safe. Handy and practical, it is ideal for draining foods such as pasta. Enjoy the unique design and the added value of being a 100% Made in Italy product.
