

20 lt. HERMETIC PLASTIC BUCKET WITH LID

SOLUZIONI FOODSERVICE

The 20 liter Ermetic Plastic Bucket with Lid is not only an indispensable tool in your kitchen, but a guarantee of quality and long-lasting functionality. Designed to perfectly contain liquids thanks to the hermetic seal, it offers superb resistance for versatile use: from the highest temperatures to freezing cold (from +120° to -60°). Made of high density polyethylene, it shows the quality of a 100% Made in Italy article. The cleaning? Don't worry, it's dishwasher safe. A reliable ally for your kitchen!
