

ROUND NOTCHED CUTTER diameter cm.1,6 TOMATOES

SOLUZIONI FOODSERVICE

Our Round Notched Scavino is the kitchen accessory that cannot be missed if you love creativity in the kitchen. Made of high quality stainless steel, it is particularly suitable for creating spectacular fruit and vegetable balls. Perfect for surprising your guests with zigzag decorations of pumpkin, courgette, carrot, potato, melon, watermelon and papaya. Ergonomic, easy to use and above all, dishwasher safe for quick and complete cleaning. Impossible not to love it!
