

MANUAL CAN OPENER WITH CLAMP

SOLUZIONI FOODSERVICE

Our manual tong can opener is the ideal tool for your kitchen. Equipped with a cutting wheel and two sprockets sprayed with hardened and tinned steel, it adapts perfectly to any box edge, ensuring efficient and precise cutting. Thanks to its fully opening clip, you can easily and comfortably apply it to the edge of the box. Furthermore, the super chrome plating guarantees exceptional robustness which increases its durability over time. Perfect for amateur or professional chefs looking for high-quality tools for their kitchen.
