SOLUZIONI FOODSERVICE

Discover this professional kitchen brush, a must have for every chef! Made of high quality silicone, it is resistant, usable even at high temperatures (up to 260°C), and absolutely hygienic thanks to its waste-free structure. The stainless steel handle ensures sturdiness and a secure grip. Easy to maintain, the brush is also dishwasher safe. Its size of 23.5cm x 4.5cm x 1cm makes it perfect for various kitchen applications. Made in Germany, it complies with all regulations relating to food use.
