Create wonderful decorations with your vegetables, thanks to our comb cutter with 7 stainless steel blades. Perfect for buffets!

SOLUZIONI FOODSERVICE

The use of this decorator cutter comb will revolutionize the way you decorate your dishes. With its 7 stainless steel blades, it allows for fast and efficient cutting, definitively stopping the fatigue of long cutting sessions. Compact size (16x2.5x1.5 cm) for a comfortable and firm grip. Perfect for preparing cucumbers, both for simple family meals and for setting up an elegant buffet. A touch of class in culinary style. Resistant and long-lasting thanks to the construction of solid stainless steel.
