

STAINLESS STEEL SPINNER cm.46x15x8

An indispensable helper in the kitchen: resistant, hygienic and dishwasher-safe steel skimmer.

SOLUZIONI FOODSERVICE

Made in Germany, our skimmer is the must-have for every cooking enthusiast. It is made of stainless steel, a resistant and hygienic material, perfect for contact with food. Its measurement of 46x15x8 cm makes it practical and easy to handle. Its use is fundamental in sieving and draining operations. Plus, cleaning will no longer be a problem: it is completely dishwasher safe. An essential accessory for your professional kitchen.
